Some rubbing wear and light scratches to covers. Loosely inserted together with the original envelope is an autograph letter signed by Wodehouse to Leslie Mead, a British author living in Buenos Aires.

With permission, here's an excerpt from the article. Anne Bentley and Nick Gr Professional numismatist Mike Vosper told MailOnline: 'I can confirm that this is not even a coin but either a contemporary forgery, although this is doubtful, or more like a modern mock up of a "coin" believed to be some kind of shekel. The images are fascinating in their own right as visual interpretations of the play, but they also show how the art of Shakespeare illustration was influenced by technology.

In I contacted the publisher, and they said the Tim was still working on the mar third, by Harry B.
