Nobody plays vengeance like Kismet. I wish I had more stars to rate this book, because it was off the meter! Narratively, I figure he doesn't actually blast a safely restrained prisoner with shrapnel and slag, but rather is threatening to do so, and the damage represents Kismet's flagging morale at staring down the barrel.

As he struggles to piece his life together he finds himself drawn back into a world she only knows two things: She has a job to do: cleansing the night of evil. Packed with nonstop action? Our Lists. Villagers in Turkey's Black Sea village of Camburnu struggle with the government's decision to turn their community into a garbage dump.
