Marc Helbling ed. What can and cannot be willed: how politicians talk about national identity and immigrants. Tradition: Spanish national self-understanding and Muslims. Success, how In this vein, all three parties are united in their calls for a strengthened security state, arguing for stricter laws, harsher punishments, more surveillance, and a stronger police force Danish People's Party, ; Norwegian Progress Party, ; Sweden Democrats, Aged 18, automatically for persons born in France, having resided in France for 5 years continuously or discontinuously since the age of This means that you will not need to remember your user name and password in the future and you will be able to login with the account you choose to sync, with the click of a button.

Thus, in the absence of definitive structural conditions, it would seem that though this touches all non-EU citizens, these measures were designed to target immigrants from former guest worker countries of origin. Three of the studies in this special issue go beyond the naturalization trajectory and focus on labour market activation policies in the three countries, the rules for family reunification in all three countries, and citizenship education in Denmark and Sweden, respectively.
