AmazonAdvertisingFind, attract, and engage customers. Measure your wrist with a measuring tape and add 5 to 6 inches Be sure to measure against your wrist from time to time; large beads will add bulk, so you may need to make the bracelet longer to make it fit. Try the bracelet on and make any adjustments, if necessary.

Large beads, however, will need something heavier, such as a thicker elastic the same method above to make 2 to 3 more strings.
