A good read by a new author Only the author's second book, and it's pretty good. I don't know where the author is leading us with these new characters and road work, I just hope it will be an awesome journey!

Ghosts, serial killers, great heaving monsters, the loss of self-control, p
Four guards are assigned to protect her, but they become much more than just her protectors. With renewed interest in her poetry since her death last month, I tried a slimmer volume. Overall: I adore the Thirst series and that includes this one, even if it does go a little wild.
