Fun fact! Additionally, traits could be introduced to make plants more nitrogen efficient, thus reducing use of nitrogen fertilizer that would finally reduce emission of nitrous oxide, a potent greenhouse gas. White space is the time we have solely for ourselves when we are not busy looking at screens or indulging in inescapable tasks, such as reading case studies.

If the bill in its current form is adopted, it might not be able to stand the test

His research interests and publications are in developing financial and non-financial performance measurement tools, accounting issues and impact on financial reporting and governance. Your display name should be at least 2 characters long. Description: Business and Intellectual Property reflects on the future of Intellectual Property IP in the age of new media and shows how in a rapidly changing business field managers and decision makers need to be more perceptive, agile, and vigilant than ever .

Reduce, Reuse and Recycle—The 3Rs of the environment are no more limited to Ca

Tiwari rated it it was amazing Dec 26, Accessible, clear, and using a wide range of case studies, Business and Intellectual Property gives an excellent overview of a subject that is

becoming a key aspect of many businesses today.
