She kept asking this handsome boy—and asking nicely. There's not the tactility, hunger not as pitched, taken up and up, always more to touch, to excite, but the feelings play with the brain, the brain massages, moves out, over, over and up into unpredictable spaces, places, surprise by joy, don't know what's coming, feels like it was done by someone else when you look at it and you can look at it, can leave something behind beside some wet excrescence and rumpled sheets.

But you have so refined our sensitivity, so heightened our awareness, so deep
On the way out, I saw I'd missed a few bones on the ground. O, what a war of looks was then between them!
Yes, mon cher Cendrars, you not only stopped me, you stopped the clock. Holidays are about traditions, so continue your tradition with hometown
