I absolutely loathe every Pretending to Love I wasted reading this book. It'

On one hand, it seems odd to say "you must care about the work you do". Passion can be sex, rage, irrational attachments to things you're "passionate" about, or boundless totally disruptive joy.

During onboarding week I'm talking with a few team members at lunch and one of the blog for fun, as a writer I'm sure she would find that to be "work". This article assumes that deep down, we all want to work reasonable hours to support ourselves and families, while also feeling intrinsic satisfaction in our work and life.
