Junior Analysts typically work across a few verticals and then specialize as they move up the ladder. Learn about the topics mentioned above: bond math basics, how various fixed-income instruments work, get good at Excel and PowerPoint PPT is especially important in most DCM roles and is consistently overlooked by people and do a bit of networking with people in the group. Like a traditional savings account, there's no set term for maturity with a money market account – you can park cash for an unlimited amount of time.
