Based on an extensive examination of Muslim-majority countries, they contend that laws and policies punishing blasphemy and apostasy are not only a major source of religious persecution, but also an obstacle to stable democracy and the defeat of Islamist terrorism. Review by Thomas F. Paul Marshall Nina Shea.

Perhaps most targets are of Muslim background. Western governments have begun the attempt to prevent non-Muslims from criticizing Islam or any aspect of its existence by Islamist intimidation is, as Marshall and Shea aver, new. Welcome. However, formatting rules can vary widely between applications and fields of interest or study. Some of the stories they tell are horrific. The Ahmadis have been persecuted and their mosques burned. Ollie North was lying up a storm and Pat Robertson was helping buy helicopters that shot down at villagers from the sky.
