This is the same with Russia : the country has been present in the South Caucasus region since the beginning of the 19th century, when trying to conquest the whole Caucasus. While the majority of the province is quiet, there are ongoing disturbances in cities like KizlyarKizilyurt and the capital Makhachkala. This is particularly significant in this instance of relations between Russia and countries of the South Caucasus, because each of these countries serves for an important geopolitical purpose.
