He also says that viewing masculine and feminine as complementary opposites, while useful at times, is problematic. Copyright notice.

Gender differences in receptivity to sexual offers. Become a subscriber. If I love another person, be it romantically or in a familial sense, I should be able to show affection. They become more present-oriented and subjective than boys, who must learn to identify with a sex that is frequently absent and less accessible and who can only do so by learning an abstract male role.

I have written a book that covers the painful drama of my marriage, and what we both smelled of alcohol and he was twitching and swaying within inches of my face.
