Related Videos. The Vienna World Conference on Human Rights, for example, noted that it is the duty of States to promote and protect all human rights and fundamental freedoms, regardless of their political, economic and cultural systems. This may seem incredible to you because it has always seemed that you lived in Humanity and Freedom, alone within the vast emptiness of space.

They are seeking to establish control not only of your world but of the area around it. You can understand the difference between these things, and now it is necessary to see this difference within a larger environment. Both of those claims are false.

They are particularly vulnerable to misunderstanding their situation and are on the verge of emerging into a Greater Community of intelligent life. And if so, which of the many Christian theologies, or which elements of the various Christian doctrines, were essential?
