As I struggle to come to terms with being back in Nottingham, the memories of gelato, pizza and pasta, sunny Venetian days and the friends I made keep me going. Evidence has accumulated over the past several decades indicating that the highest

hurdle of the doctoral program is the completion of the thesis or dissertation. Insiders gripe that the big, traditional universities simply translate their standard curriculum into English, which makes the programs a better fit for native Chinese students with strong English than for Western students.

On the other hand I expect that perhaps my life choices will be a little different abroad costs too. In addition, the course provides an introduction to many of the global issues of interest to international affairs majors, including terrorism, democracy, and globalization.
