Imagine how some of your English language learners feel when they suddenly find themselves in a new school, while at the same time adapting to a new culture which includes, among many other things, learning a new language. Topic: ESL.

It is important to remember that second language students may have difficulty

The present study suggests interesting ways in which the ESL learners can strategize at every point in the learning process. Sign up. Non-consent will result in ComScore only processing obfuscated personal data.

Having a buddy will give your newer English learner a sense of reassurance and a stronger student usually doesn't mind helping a weaker peer, provided he only does so for a short activity or two. However, what can a teacher do when portion of the class is much lower overall, say a group of beginners mixed in with a class of intermediate students?
