What news, my lord? By heaven, I'll make a ghost of him that lets me!

There is literally and justly hell to pay. Of course, which is why we take almost Newton not only contributed to the greatest variorum edition of Greek New Testament manuscripts published in his lifetime the variorum New Testament edited by John Mill but wrote a series of destructive textual analyses of all of those Scriptural texts used to support the doctrine of the Trinity. With a purified nous clear vision and understanding become possible, making one fit for contemplative prayer. On the other hand, evidence from some early eighteenth century writings suggest that Newton was happy to remain in the Church of England and was merely waiting for it to become so enlightened – and properly Christian – that someone with extreme opinions such as his own could worship within its fold. What now? I think idea of crucifixion was established by Paul and Mark. Without God, what we think of as reality is no more than time and chance acting on matter.
